Parish School of Religion – Fall Registration

11 July 2018
St. Benedict, Abbot

Dear Saint Mary of the Assumption parish family,

I hope this letter finds you and your family well; enjoying some increased family time together; and a bit slower pace. The time has come to begin registrations for the coming year of religious education for children in kindergarten, first - eighth grade, and high school.

Our Parish School of Religion program will begin on Sunday, 26 August with a parent and student orientation in the school gym from 10:00 – 11:00 am. The PSR schedule for the coming year is printed on the reverse of this letter; please add these sessions to your calendar. To assist us with preparations, I ask the courtesy that you complete the attached PSR registration and medical forms and return them to the parish office by Sunday, 5 August. If you need additional copies of any of the registration materials, they can be printed from our parish website or picked-up from the church vestibules.

A postal mailing is also going out at the time of this letter to active parish religious education families who have a child who could begin preparation for the celebrations of Penance & holy Communion or Confirmation this coming year. If you've a child who is of age and do not receive this mailing in the next few days of this letter; or have a child "out of sequence" sacramentally, please give me a call by mid-August so we can together develop a plan for them.

Our parish will be offering Catholic Kids Camp the week of August 6-10 in the evenings from 6-8.30 pm for children in preschool through grade six. Registration forms are available on our website and in the church vestibules. I hope many can attend again this year for a great time!

Thank you for all you do in your family as parents to raise your children to lead worshipful lives. Know Father Eilerman and myself recognize the sacrifices you make, especially to bring your child(ren) to PSR in addition to Mass each weekend. Please know we are here to support you however we can, just let us know how we can better serve you in building your family as the domestic church.

In Christ,

Mr. McCauley
