

THE BASILICA OF SAINT MARY OF THE ASSUMPTION

TENEBRAE

Palm Sunday of the Lord's Passion

Sunday, 2 April at 7 pm

In this contemplative service of light and darkness, candles are gradually extinguished as we progress through the praying of Scripture readings and complementary choral music, until we are enveloped in darkness, briefly, meditating on Christ's death and ultimate victory over darkness and the grave.

Come and spend an hour of quiet reflection and prayer surrounded by the beauty of the music and candlelight.
